Dear Director:

I work at EEOC and have always felt that we could learn from the fantastic experience of the F.B.I. and C.I.A. as to investigative techniques even though we do not handle criminal matters. Is there anything your agency offers that might help us become even more professional in investigations? If so, is it local training, manuals or movies? Also, what is the cost if it were available to us?

You may respond to me or Mr. John D. Fultz, EEOC St. Louis District Training Officer at 625 N. Euclid St. Louis, Mo. 63108.

Thank you in advance for your anticipated cooperation and keep up your very impressive track record.

Sincerely,

Irv B. Mestman

MEMORANDUM

TO: Irv. Nestman, EOS
FROM: John D. Fultz, District Training Officer *JDF*
SUBJECT: Training

It has come to my attention that you submitted a suggestion for training which involved assistance from outside Federal agencies. If you establish contact with these agencies and determine what, if any, assistance they can offer, which can be of specific and particular relevance to our training needs, I will explore whether we can, or will, engage in such an endeavor. Please advise.
